BORIS THE SPIDER

A Journal of Duplicitous Doings,
Raw Power, and Naked Greed

"Oh, what a tangled web we weave
When first we practice to deceive!"

-- Sir Walter Scott --

(#280) F/G Win DUNE!

Congratulations go to Dave Anderson and Paul Barrett on a relatively easy alliance win at our fifth game of *DUNE*. Dave's Guild sacrificed a leader to remove a BT trap in Habbanya Ridge Sietch and Paul's Fremen held off another Atreides suicide attack in Arrakeen. Cary ended with four of five leaders in the tanks after only 6 turns.

Still trying to patch together some quora for game starts. May actually have made one if Paul Barrett's version of *MÄHARAJAH* is close to the AH version. Games needing one more to begin include 1870, 1856, *BLACKBEARD* (anybody got a postal system?), *HISTORY OF THE WORLD*, and *WIZARD'S QUEST*.

IMMEDIATE GAME OPENINGS:

Gunboat MACH: Need one more to start! See p 3 for details.
1870: Have Zieske, Hanna, Frueh need 1 to 3 more.

EMBASSY BEAT

Austria to Germany and Italy: Greetings my esteemed and renown World Leaders.

It is the Fall of the year and the Holy Roman Emperor wishes to do some hunting. I desire to send the Imperial Tyrolian Riflemen back to Tyrolia for a recruiting session.

However, I cannot in good conscience simply order my rifles to the Alps. Though Tyrolia is Imperial territory, I find it proper to inform you gentlemen of my intention to send my troops there.

The mission of the troops is truly a hunting mission. I feel that if you both allow me to make these maneuvers, we will all three benefit.

I eagerly await your responses.

Humbly,

Richard I, H.R.E., Defender of the True Faith, Prince of Austria, Duke of Hungary, Duke of Moscow, Prince of Poland, and Satrap of Sevastopol, etc...ad nauseum.

So, a hunting excursion-sounds good to me. In fact the King has expressed a need to give the Alpine Troops some training and even THE POPE agreed to send along some Vatican Guards so we will have a troop movement to Venice also. If our friends the Germans would agree maybe we could have some friendly competition, play king-of-the-mountain as it were. In any event-good hunting. And if you should bag a nice sized bear, well His Eminence would like a new rug for the summer palace (wink wink, nudge nudge)

For the Foreign Ministry-Count Ronaldo

Russia to the HRE: You are neither Holy, Roman, nor an Empire. Tsar Dave and Tsarina Deborah were last seen in their yellow submarine moving to a undisclosed location to weather out the crisis and waiting for the brave Italian freedom fighters to liberate their homeland.

EMBASSY BEAT

Papacy to Austria: If I had anyone influence over the heathen Turk. He would have "tithed" 4 ducats and their would have been one less French unit and a couple of less ducats in his coffers. Instead, I have to retreat and cover against the French.

TURK-FRANCE: WHAT IS THIS? GIVEAWAY MACH?

France: Well, maybe I was wrong, that Austria & Turkey alliance may not be back together... say, what are we up to Mr Pope? and to the Venice Doge, guess it's wait till next time, huh?

No Start Yet

Only three responded, there's a check here ____ if you were one. So if interested give me your druther anent:

1. Scenario (default is Scenario I, "Struggle For Dominance, Pt I")
2. Country (default is random selection)
3. Rules to be used (default is all rules except "12. Excommunication")
4. Press or no Press (default is Press allowed)

Need to know if we get no 4th whether the three signed up want to play the 3-player version of Scenario I -- Austria and France neutral, and each gets two powers. Or should we wait for Mach III, which could start as early as January, in hopes of snagging a decent quorum?

6.5 Battle: (cont)

Arrakeen: A with 3T is the aggressor against F with 5T, 1*. A fails to use prescience and plays G Halleck, "Shield", 3S, and dials "3". F plays Chani, 3S, "Shield" and "Ellaca Drug" and dials "4". Halleck is the Fremen traitor, so F wins with no losses, collecting 4S for Halleck.

BT attempt to assassinate Chani using "Maula Pistol"; F doesn't defend. Chani is slain and BT gain 6S.

The F/G alliance wins. Due next time are end of game statements.

TURN 1 (cont)

1.6 REPLACEMENT PHASE: TCA declares 4 IP on O, 1 IP on S. BART plays Card #61 "New Official History" (DLA, redraw = TCC). TCC loses 5 declared IP, but only has 3 so must discard a card instead. He discards #45. "A" is taking the Cure, so cannot promote, so "E" is promoted by age to Foreign Minister. No one intervenes, so Talksalott "J" is promoted by age to Sports and "B", "D" and "F" to Candidates.

1.7 REHAB PHASE: No action.

1.8 PARADE PHASE:

Party Chief Aparatschik is taking the Cure so cannot wave. TCC plays Card #37 "Reagan Elected"; all other players must play a card or reveal all the remaining IP of one politician.

Due next time: Orders for Card #37 and Cure through Health phases. Conditional orders are encouraged. **Note:** We had several players try to play cards that didn't make sense, either because the recipient couldn't do what the card demanded or because it would expire before it would do any good.
